# INDEX TO THE SECOND VOLUME.

Abbot, Dr. S. L. Injury from use of sewing machines, prevention of, 270
Abdomen, wound of, 201
Abdominal parietes, fibrous tumor of, 23
Abortion, criminal, 71; new views on, 156
Abscess, perinephritic, 201; case of hepatic, 286; iliopsoas, 397
Acid, uric and urea, 79; thymic, 160; prussic, toxicological action of, 336
Acupuncture, in sciatica, 392
Albuminuria, a new test in, 335
Ague theory, Dr. Salisbury's, 369
Amaurosis, caused by crowding of teeth, 207
Amenorrhœa, 217
American Pharmaceutical Association, 119
American Academy of Dental Science, 150
Amputation, avoidance of in certain cases of injury, 96; of foot, 103; at shoulder-joint, 168, 378; Chopart's, 190; of leg, 377; at the hip-joint, 399; of finger, 408; of fore-arm, 408; scirrhous of back, removed, 408; of uvula, 367
Anæsthesia and the mode of action of anæsthetics, 272
Ancestors, our, 63
Aneurism, intercranial, 45; temporal, 233; aortic, 414
Animal tissues, preservation of, 117
Ann Arbor controversy, the, 269
Anthrax, cupping-glasses in the treatment of, 46
Antrum, dropsy of, 88; cancer of, 103
Aorta, abdominal, aneurism of, 5
Aphasia, with hemiplegia of left side, 47
Army Medical Museum in Washington, 319
Arnica montana, 390
Arsenic, simple apparatus for the detection of, 318
Arteries, right carotid and subclavian, ligature of, 6
Artery, division of the anterior tibial, 263; ligature of the popliteal, 263
Athletic games, abuse of, 348
Atropine, poisoning by sulphate of, 148
Azote, protoxide of, 240

Beach, Dr. Henry H. A. Treatment of gonorrhœa, 213; case of intussusception, 216
Beard, Dr. G. M. Remarkable case of gastralgia treated by electricity, 259
Beds, elastic sponge, 236
Bell, Dr. John. Common water and mineral waters, 305
Belladonna, action and therapeutic uses of, 111; versus opium, 273, 289
Bibliographical Notices:—
Lectures on the Diagnosis and Treatment of Functional Nervous Affections, 26
Therapeutics and Materia Medica, 27
Researches into Obstetrics, 41
On the Signs and Diseases of Pregnancy, 56
The Institutes of Medicine, 57
Materia Medica for the use of Students, 58
Goff's Combined Day-book, Ledger and Daily Register, 58
Observations on some of the Affections classed as Nervous Diseases, 73
The Endoscope and its application to the Diagnosis and Treatment of Affections of the Genito-urinary Passages, 89
Odontalgia, commonly called Toothache, its Prevention and Cure, 105
On Diseases of the Skin, a System of Cutaneous Medicine, 105
Lessons on Physical Diagnosis, 105
Treatment of Diseased Joints by Escharotics, 121
Microscopic Examinations of the Blood and Vegetations found in Variola, Vaccina and Typhoid Fever, 134
Twenty-first Annual Report of Officers of New Jersey State Lunatic Asylum, 139
Diseases peculiar to Women, 168
Ueber Keloid, 187
Criminal Abortion, 187
Dental Materia Medica, 187
Atlas of Venereal Diseases, 187, 379
The Anatomy and Histology of the Human Eye, 210
The Indigestions, or Diseases of the Digestive Organs functionally treated, 220
Outlines of Physiology, Human and Comparative, 248
Œsophagotomy for the Removal of Foreign Bodies, with a History of the Operation, 249
Vesico-vaginal Fistula from Parturition and other Causes, with Cases of Recto-vaginal Fistula, 266
Retinitis Nyctalopica, 283
Hand-book of Vaccination, 312
Rational Treatise on the Trunkal Muscles, &c., 329
Treatise on Physiology and Hygiene, 329
Medical Formulary, a collection of Prescriptions, 329
Materia Medica in its Scientific Relations, 361
The Opium Habit, suggestions as to its Remedy, 361
Treatise on the Principles and Practice of Medicine and Pathology, &c., 379
Lectures on the Study of Fever, 392
On the Ætiology, Pathology, Diagnosis and Treatment of Anal Fissure, 393
Clinical Lectures on Diseases of the Urinary Organs, 393
Physicians' Medical Compend and Pharmaceutical Formulæ, 393
Morell Mackenzie on the Laryngoscope, 413
Greenhow on Chronic Bronchitis, 413
Binding for the volumes of the new series, 416
Booth, Dr. Z. S. Malignant pustule, 215
Borland, Dr. J. N. Cases of tuberculosis, 145
Boston City Hospital, annual Report of, 362; appointment at, 399
Boston Dispensary, 151
Boston Society for Medical Improvement, reports of, 5, 116, 345, 359, 410

Botany, medical, of Norfolk County, 298
Bowditch, Dr. H. P. Physiological action of bromide of potassium, 177
Brain, inflammation of, 200
Braman, Dr. C. B. Poisoning by bromide of potassium, 23
Breast, malignant tumor of, 31
Brickett, Dr. Geo. E. Case of encephaloid in a child, 357
Bright's disease, case of, 318
Bromide of potassium, poisoning by, 23; in epilepsy, 409; physiological action of, 177
Bronchus, obstruction of by a water-melon seed, 184
Brown, Dr. F. H. New surgical instruments and appliances, 52
Brown, Dr. W. S. Iodine as an antidote to strychnine, 283
Buckingham, Dr. C. E. Mineral waters, 22; case of rupture of heart, 113
Bug, alleged bite of, 298
Butler, Dr. L. C. Singular case of long-continued vomiting, 261; case of nervo-muscular prostration, 324

Cæsarean section, *post-mortem*, 176
Caffein, physiological and therapeutical action of, 142
Calculi, remarkable case of urethral, 254; discharge of, from the kidney, 399; salivary, large, 415
Campbell, Dr. W. H. Abuse of charity medicine, 4; poisoning by sulphate of atropine, 148
Cancer, of antrum, 103; of sacrum, 117; of neck, 308; epithelial of the tongue, 387; of back, 408
Carbolic acid, poisoning by absorption, 223; suicide by, 302
Carleton, Dr. C. M. Treatment of encephalocele, 174
Carotid circulation, stoppage of, 15
Cartilage, thyroid, amomalous development of the, 299
Catarrh, nasal, 184; chronic nasal, 244
Certificates, death, 31
Cephalalgia, nitrate of silver in, 288
Cephalæmatoma, sub-aponeurotic, 184
Charity medicine, abuse of, 4
Chemical constitution and its relation to physiological action, 31
Chest, tonility of sounds on percussion in diseases of the, 30
Children, diseases of, 139
Chloroform, advantages of over ether as an anæsthetic, 72; death from, 79; position in the treatment of poisoning by, 141
Cholera, liquor chlori in, 14; epidemic, in U. S. Army, 58
Chorea, sulphate of manganese in, 47
Cinchona planting, 366
Circulation, carotid, stoppage of during efforts, 15; arterial experiments on the, 233
Clarke, Dr. E. H. Introduction to thesis on thein, 81
Clavicle, fracture of, 10; excision of, 95
Climate in the treatment of pulmonary tuberculosis, 321
Clot-Bey, the late, 285
Club-feet, treatment of, 308
Cock's operation, 167
Coffin, Dr. Amory. Climate in the treatment of pulmonary tuberculosis, 321
Cold, on death from, 205
Colon, length of in young children, 240
Conception an electrical phenomenon, 152
Constipation, 103
Convulsions, puerperal, 72, 299, 311
Coote, Mr. Holmes, 160
Copper-poisoning, cases of, 203
Cords, vocal, operations on, 64
Cotting, Dr. B. E. Case of membranous disease of throat and air-passages, 129; on the causes of increased frequency of phthisis in Brazil (trans.), 225
Cotton plant as an emmenagogue, 366
Cretinism in Switzerland, 383
Cucurbita pepo as a vermifuge, 102

Damon, Dr. H. F. Reports of Obstetrical Society of Boston, 217, 375
Dartmouth Medical School, 47
Darwinism, 297
Dead alive, the 128
Dental School of Harvard University, 11
Dentition, early, 62
Deposit, on the nature of the waxy, lardaceous or amyloid, 238
Derby, Dr. H. Report of annual meeting of Heidelberg Ophthalmologische Gesellschaft, 152
Diarrhœa, chronic, treated by ipecac, 9; chronic, creasote enemata in, 47
Discovery, a physiological, 336
Discussion, a delicate, 15
Disease, cerebral, 311; epithelial, removal of from the face, 344
Disinfection by dry earth, 105, 189
Dislocation of tarsus, 89; forward of tibia and fibula upon the femur, 189
Douglass, Dr. J. H. Tuberculosis, pulmonary phthisis (trans.), 49, 67
Draper, F. W. Reports of Boston City Hospital, 23, 88, 102, 327
Dropsy, ovarian, 9
Dunham, Dr. W. R. Treatment of acute rheumatism, 109
Duodenum, perforating ulcer of the, 46
Dysentery, with acute rheumatism, 311

Ear, disease of, producing obstinate vertigo, &c., 388
Edson, Dr. P. O'M. Reports of Norfolk District Medical Society, 297
Elbow-joint, excision of, 377
Elephantiasis of leg successfully treated by blistering, 320
Embolism in the heart, 200
Encephalocele, 174
Encephaloid, case of in a child, 357
Enemata, nourishment by, 10
Epiglottis, cases of loss of the, 32
Epilepsy, extraordinary cure of, 400; bromide of potassium in, 409
Epithelioma of tongue, 24
Erysipelas, co-existing with acute rheumatism, with peritonitis supervening, 7
Essex North District Medical Society, reports of, 9, 310
Eye, hæmorrhage from the, 299
Experts, testimony of, 160; medical rights of as witnesses, 224
Extractum carnis, 416

Faraday, the late Michael, 48
Farm-stock, the diseases of, 365
Fisher, Dr. T. W. Reports of Boston Lunatic Hospital, 54, 233; moral insanity, 114; contested cases of insanity, 353
Fistula, fæcal, unsuccessful attempt to close a, 134; case of, 310; rectal, extraordinary forms of, 384
Fitz, Dr. Reginald Heber. Belladonna versus opium, 273, 289
Fluid-ounce, weight of, 89
Fœtus, development of, 200; discharge of a, through the rectum, 239

Foot, lacerated wound of, 103
Folsom, Dr. N. L. Unsuccessful attempt to close a fæcal fistula, 134
Fracture, compound, comminuted into elbow-joint, 41; compound, comminuted of tarsus, 88; metatarsal bones, 103; compound, comminuted of tarsus and leg, 167; of the skull, 201; of the pubis, by muscular contraction, 254; of the nasal bones and right superior maxilla, 288; compound of the internal condyle of the humerus, 344; compound, comminuted of the humerus, 345; of clavicle, 10
Friction matches, poisoning by, 10

Garland, Dr. G. W. Reports of Essex North District Medical Society, 9, 310
Gastralgia, remarkable case of chronic, treated by electricity, 259
Gastric juice, solvent action of, on the stomach, 255
Gavin, Dr. M. F. Comparative statistics of suicide, 326
Gillespie, Dr. Wm. A. Singular case of lactation in an old woman, 39
Gilman, Dr. John H. Reports of Middlesex North District Medical Society, 71
Gland, enlarged, removal of, 408
Glosso-pharyngeal paralysis, 385
Gonorrhœa, treatment of, 213
Green, Dr. J. Orne. Obstinate vertigo and vomiting from disease of the ear, 388; parasitic growth in the external auditory meatus, 241
Greenough, Dr. F. B. Case of herpes zoster, 401
Growth, curious exostotic, 272
Glycosuria during convalescence from acute diseases, 191

Hæmorrhage from waxy amyloid degeneration, 175; after extracting teeth, 191; from umbilical cord, 217; uterine, digitalis in, 233; eight days after delivery, 375; arrested by torsion, 396
Hæmorrhagica purpura, 217
Hæmorrhoids, treatment of, 11
Hair-washes and restorers, 144
Hallucination, on a peculiar form of, 287
Hare-lip, interosseous suture in operation for, 91
Harkness, Dr. H. W. Salisbury's ague theory, 369
Harvard University, Dental School of, 11
Head, thirteen cases of injury of the, 264
Headache, cure for, 143
Health, how to travel for, 78
Heart, rupture of, 113; non-penetrating wound of, 144
Heart and thoracic cavity, needle in, 12
Heidelberg Ophthalmologische Gesellschaft, annual meeting of, 152
Hermaphroditismus lateralis, probable case of, 206
Hernia, inguinal, strangulated by an artery, 15; strangulated femoral, 168; operation for in an aged female, 191; irreducible incarcerated, 311; oblique inguinal, 327; lumbar, 400; of the ovary, 320
Herpes zoster, case of, 401
Hershey, Dr. D. W. Cucurbita pepo as a vermifuge, 102
Homans, Dr. C. D. Reports of Boston Society for Medical Improvement, 5, 116, 246, 345, 359, 410
Homans, Dr. John. Complete inversion of uterus, 1; epithelial cancer of the tongue, 387
Hospital Reports. Boston City Hospital, 23, 40, 88, 102, 167, 189, 264, 308, 327, 344, 377, 406; Boston Lunatic Hospital, 54, 233, 409; Massachusetts Charitable Eye and Ear Infirmary, 357; Rhode Island Hospital, 170
Hotel Dieu, the new, of Paris, 16
Humerus, compound fracture of the internal condyle of, 344; compound comminuted fracture of, 345
Hypertrophy of right half of body, in a child four years old, 334; of the mammæ, 400

Icterus, 217
Ignorance in the medical profession, 142
Impalement by the round of a chair, 5
Inebriates and opium eaters, new asylum for, 31
Infants, dejections of, associated with forms of disease, 365
Inguinal glands, suppuration of the, 300
Insanity, moral, 114; puerperal, 233; contested cases of, 353
Insecticide, petroleum as an, 16
Instruments, new surgical, and appliances, 52
Insurance, life, 30
International Medical Congress at Paris, reports of a commission from American Medical Societies, 17
Introductory lecture at Harvard Medical School, 330
Intussusception, 5; case of, 216
Iodine, as an antidote to strychnine, 44, 283

Jaw, extirpation of upper, 103
Jeffries, Dr. B. Joy. Section of optic nerve and ciliary nerve, 65; some unnecessary causes of impaired vision, 209; Report of Massachusetts Charitable Eye and Ear Infirmary, 357; the first operation of neurotomy, 414

Keloid, spontaneous, case of, 392
Kidney, fistulous communication with the, 399
Kimball, Dr. Gilman. Cases of ovariotomy, 97
Knee, dislocation of, 77; chronic disease of, 102
Knee-joint, primary excision of, 256

Labor, complicated by thrombus of vagina and perinæum, 382
Lactation, singular case of, in an old woman, 39
Lantern, new laryngoscopic, 149
Larynx and trachea, contusion of, 10; pseudo-membranous disease of, 232
Leaves, the fall of, 105
Lecture courses, the winter, 221
Leeches, how to utilize, 80, 90
Leg, chronic ulceration of, 328; amputation of, 377
Ligature of the right carotid and subclavian arteries, 6
Light, transmission of, through animal bodies, 192
Lightning, effects of, 16
Lincoln, Dr. D. F. Statistics of operative midwifery in Norway, 161, 193, 228
Lister's method in Germany, 320
Lithotomy, 168; third time on an aged patient, 415
Logwood, ointment of, 208
London, hospital work, 104; street cleaning in, 351
Loring, Dr. E. G. Tests for the insufficiency of the recti interni muscles, 337
Lymphorrhage, case of, 222

Mammæ, hypertrophy of the, 400
Man, antiquity of in America, 385; effect on of residence at great heights above the level of the sea, 346
Masturbation, 184
Maternity, precocious, 351
Matteuci, Prof., 16
McCollom, J. H. Reports of Boston City Hospital, 264, 308, 344, 406
Meatus, external auditory, parasitic growth in, 241
Medical Science, the progress of, 283
Medical tenement house, the overcrowded, 112
Medicine, charity, abuse of, 4; specialties in, 42; appetite for, 64; how to study, 74, 188, 249, 316; the science and practice of, 300
Medicines, the doses and action of, 46

Membrana tympani, three cases of traumatic perforation of the, 257
Meningitis, tubercular, with tuberculosis, 145
Menstruation, use of remedies during, 42
Metritis, chronic, changes of tissue in, 415
Midwifery, operative, statistics of in Norway, 161, 193, 228
Middlesex North District Medical Society, reports of, 71; East District, 200; South District, 232
Mineral waters, 22; and common, 305
Mitral disease, three cases of, 301
Monstrosity, singular, 286
Morbus coxarius, 352
Morphine, poisoning by, 310
Mortality, infant, in Paris, 48
Mothers' milk, influence of diet upon, 143
Mule, a breeding, 176
Muscle, waste of during exercise, 192
Muscles, recti interni, tests for the insufficiency of, 337

Nævus, collodion in the treatment of, 63
Necrosis, 40; of sternum, 24; of shaft of tibia, 328
Nerve, optic and ciliary, section of, 65
Nervo-muscular prostration, case of, 324
Neck, cancerous disease of, 308
Needle in heart, and thoracic cavity, 12
Neuralgia, sulphate of nickel in, 176
Neurilemma, nerves of the, 14, 65
Neurotomy, the first operation of, 414
New Hampshire Medical Institution, 237
Norfolk District Medical Society, reports of, 297
Nymphomania, puerperal, 184

Obstetrical Society of Boston, reports of, 217, 375
Œsophagus, fish-bone extracted from, 247; auscultation of, 363
Oliver, Dr. H. K. New laryngoscopic lantern, 149
Ophthalmoscope, the, in diseases of the nervous system, 302
Opium versus belladonna, 273, 289
Opodeldoc, iodided, 64
Ovary, microscopic examinations of, 144; hernia of, 320
Ovariotomy, 25; cases of, 97, 160

Pachymeningitis chronica, 96
Pancreas, functions of, 61
Paper, styptic, 63
Paracentesis crucis, 253
Paralysis after scarlet fever, 76; glosso-pharyngeal, 385
Parasitic growth in the external auditory meatus, 241
Paresis, general, cases of, 54
Payne, Dr. J. T. Bony deposit in the spleen, 133
Pericardium, calcification of, 48
Periodontitis, iodine and aconite in, 367
Perkins, Prof., resignation of, 366
Peters, Dr. John C. On arnica montana, 390
Petroleum as an insecticide, 16: influence of in warding off malaria, 234
Phlebitis, with otorrhœa, 218
Phosphorus, mode of administration of, 192; turpentine as an antidote to, 223; poisonous action of, 259; simple apparatus for the detection of, 318
Phthisis, pulmonary, and tuberculosis, 49; the vaporium in, 54; causes of the increased frequency of in Brazil, 225; use of ether and etherized cod-liver oil in, 303
Physicians versus surgeons, 122; and naturalists, congress of, 224
Pinkham, Dr. J. G. Chronic nasal catarrh, 244
Placenta, adherent, 184; detached, 217
Placenta prævia, treatment of, 416
Plants, sensitive, movements of the, 112
Plaster of Paris, method of hardening, 63
Pneumonia of apex of lung, 368
Poisoning, by bromide of potassium, 23; by absorption of carbolic acid, 223; by morphine, 310; by match-eating, 311; by prussic acid, 336; by chloroform, 141; by strychnia, 62; by sulphate of atropine, 148
Polypus, uteri, 117; nasal, 185; fibrous, 275; naso-pharyngeal, removal, 406
Potassium, cyanide of, 32; bromide, physiological effects of, 110; physiological action of, 177
Pott's disease of the spine, 233
Pouillet, M., death of, 14
Pratt, Herbert James. Graduating thesis on thein, 81
Pregnancy, albuminuria of, 94; early, 96; new diagnostic sign of, 176
Preparations, ferro-manganic, 60
Prescriptions, the writing of, 381
Primipara, an aged, 16
Profession, medical, remuneration in the, 92; a crowded, 380
Progressive locomotor ataxy, 2
Prussia, military hospital arrangements in, 80
Public library, medical department of, 368
Publishers notice, 416
Puerperal women, diet of, 416
Pumpkin emulsion in tape-worm, 310
Purpura hæmorrhagica, 217
Pus formation, new doctrine of, 27
Pustule, malignant, 215; malignant and bacteridiæ, 359
Pyæmia, death from, exhibiting remarkable features, 208
Pylorus, scirrhus of the, 246
Pyromania and kleptomania, 239

Quackery, encouragers of, 16

Ramsbotham, Dr. F. H., death of, 47
Rectum, congenital imperforate, case of, 77
Reduvius novenarius insect, 298
Reformer, a chance for a, 263
Remuneration in the medical profession, 92
Remittent fever in Rome, 160
Reports of Medical Societies:
Boston Society for Medical Improvement, 5, 116, 246, 345, 359, 410; Essex North District, 9, 310; Middlesex North District, 71; East District, 200; South District, 232; Springfield for Medical Improvement, 184; Obstetrical of Boston, 217, 375; Norfolk District, 297; Rhode Island, 329; Vermont, 219
Respiration, artificial, 16
Retina, forms taken by after-impressions of the, 116
Rheumatism, acute, co-existing with erysipelas, 7; treatment of, 13, 95, 109
Ricord, M., anecdote of, 47
Rockwell, Dr. A. D. Remarkable case of gastralgia, treated by electricity, 259

Sacrum, cancer of, 117
Salisbury's (Dr.) ague theory, 369
San Francisco, variola in, 79
Scapula, excision of the, 266
Scarlet fever, 223; paralysis after, 76
Schonbein, Prof., death of, 128
Sciatica treated by acupuncture, 392
Scirrhus of the pylorus, 246
Sea-sickness, prevention of, 382
Sewing machines, the injurious consequences of the use of prevented, 270

# INDEX.

Shattuck, George B. Reports of Boston City Hospital, 40, 167, 264, 377
Shaw, Dr. Henry L. Three cases of traumatic perforation of the membrana tympani, 257
Skull, ossification of the sutures of, 184; fracture of, 201; not a test of distinction of races, 256; necrosis of, 303; trephining of, 378
Smallpox in Cincinnati and San Francisco, 415
Smith, Dr. Henry H. Division of the anterior tibial artery, 263
Soda-water, 383
Soft palate, transverse laceration of the, in a child, 297
Spain, statistics of, 224
Speculum, a modification of Cusco's, 214
Sphymograph, the, 233
Spinal cord, calcareous degeneration of the membranes of the, 247
Spine, Pott's disease of, 233
Spiritualism, 16
Spleen, laceration of, 132; bony deposit in, 133
Squire, Dr. Truman H. Treatment of club feet, 308
St. James Hotel, Jacksonville, Fla., 237
Steam atomizer, the complete, 270
Sternum, necrosis of, 24
Stevens, Dr. T. J. Sciatica treated by acupuncture, 392
Stone, drinking-water in Italy a cause of, 160
Stoppage of the carotid circulation during efforts, 15
Storer, Dr. D. H., resignation of, 221; tribute to, 250
Storer, Dr. H. R. A modification of Cusco's speculum, 214
Stricture, Holt's operation for, 208; syphilitic, of lower bowel, 384; of urethra, 299; treated by electricity, 304; operation for, 320
Strychnine, iodine an antidote to, 44; poisoning by, 62
Suicide, comparative statistics of, 326
Sunstroke, case of, 11; novel treatment of, 166
Surgery, conservative, of the wars in the Crimea and the United States, 13; conservative, 106
Sweating, profuse, with suppression of lochia, 272
Sweden, medical education in, 64
Syphilis, Virchow's views on, 80

Tape-worm, pumpkin-seed emulsion in, 310
Teeth, replacement of, 304
Temperance, wine the best agent for promoting, 44
Tendons of the fore-arm muscles, singular variation in the, 39; dislocation of, 127
Thein, graduating thesis on, 81
Theses and prize essays, 90
Throat and air-passages, membranous disease of, 129
Thrombosis and embolism, 298
Thyroid cartilage, anomalous development of the, 299
Tibia, endostitis of the, 297; necrosis of shaft of, 328
Tobacco, government, manufactured in France, 237
Tongue, epithelioma of, 24; epithelial cancer of, 387
Tongue-tie, hereditary, 400
Toning and fixing, employment of sulpho-cyanides in, 64
Torsion of arteries, to arrest hæmorrhage, 396
Tracheotomy, operation of, 93
Tripod, a human, 351
Trismus nascentium, on hot baths as a cause of, 222
